DUO TAUFIC BARBARA CASINI

Playing with Roberto and Eduardo Taufic is like visiting someone and finding yourself at home, with no formalities and being able to understand one another intuitively, without using many words. It feels like plunging into a world that I deeply love, together with musicians whose exceptional talent is not accompanied with an air of superiority, but who have done their best to make me feel welcome and put me at ease. I will be forever grateful to them for this.

Barbara

Sharing this musical path with Barbara Casini was like journeying deeply to rediscover our roots and finding a sister, a cousin or neighbour!

Barbara is totally immersed in the highly characteristic “Musica Popular Brasileira”, precisely, that with its roots in Brazil’s northeast, and she fluidly shifts between frevo, baião, forró, maracatu and toadas with such rhythmic, melodic and poetic freedom that our instruments blend with her voice in a warm and wonderful family celebration.

Thank you Barbara for joining us on this journey.
